- IV) The workmen's compensation policy should be taken by the Tenderer for the workers upto covering the entire period of the work.
- V) PF & ESI Registration should be done by Tenderer for the workers up to covering the entire period of the work .

The above qualification is not fulfilled by the contractor the tender will be rejected.

Sealed tenders on item rate basis are invited in the prescribed form by the Head Office, Chennai.

Tender No	Name of Work	Earnest Money	Time of completion
2/2018	Elevation of Co-optex Thillaiyadi Valliyammai Showroom at Chennai	Rs.77,000/-	90 Days

The work as detailed in this tender schedule shall be executed and completed in all respects within the stipulated period in accordance with the Tender Documents, Bill of Quantities, Drawings and instructions to the satisfaction of the Engineer of Co-optex.

The tenderer is required to deposit Rs.77,000/- as EARNEST MONEY DEPOSIT along with the tender in the form of crossed Demand Draft payable at Chennai in favour of "The Tamil Nadu Handloom Weavers Co-operative Society Ltd"

The earnest money will be refunded without any interest to the unsuccessful Tenderers.

The successful Tenderer shall remit Security deposit Amount of @ 3% (Three percent ) the value order place to by mean of crossed demand draft. EMD shall be adjustable for the security deposit while accepting the security deposit.

The security deposit shall not carry any interest. Security deposit will refund after 14 days from the date of completion of work .

Tenderer filled in the prescribed form should reach The Tamil Nadu Handloom Weavers' Co-operative Society, (Co-optex) Head Office, Chennai on or before 22.02.2018 - 03.00 P.M in sealed covers and super scribed with name of the work and Tender No. The tender should be opened on the same day at 04.00 P.M.

Rates must be quoted for complete work at site, Inclusive of all cost, Taxes, GST any other charges etc. All charges like Sale tax, Work contract tax, GST Registration and PF & ESI charges and etc would be borne by the contractor and Co-optex will not entertain any claim whatsoever in this respect.

The tender shall remain valid for acceptance by the Co-optex for the period of three months from the date of opening the tender. The Security Deposit amount, EMD amount and The Retention Money will be refunded without any interest as mentioned in the schedule.

The Defects liability period will be 12 months from the date of completion of work. 5% amount will be withheld from the final payment for performance guarantee and it will be released after 12 months from the date of completion of work.

The earnest money of the successful tenderer will be forfeited in the event of their refusal/delay in starting the work. The decision of The Managing Director of Co-optex will be final in this. The work should commence within 7 days from the date of receipt of the work order.

Tender documents (complete) duly filled and signed in each page and duly stamp seal affixed by the tenderer shall be submitted as tender for the work.

CO-OPTEX does not bind itself to accept the lowest or any tender, or to assign any reason thereof and also reserves the right of accepting the whole or part of the tender. The tenderer in such an event will be bound to perform the contract at the same rates as quoted in the tender for various works. Any item is liable for alteration at the discretion of the Managing Director of the Co-optex, if required.

Canvassing in any form in connection with the tender is strictly prohibited and the tenders submitted by the contractor who resorts to canvassing in any form will be liable for rejection.

The tenderers shall use only the form issued with this tender to fill up the rates.

Every page of the tender shall be signed and seal affixed of the firm on the left hand side of bottom corner.

The tendering firms, in case the tender is a partnership firm, shall submit the tender signed by all the partners.

On acceptance of the tender, the Contractor shall intimate the name of his accredited representative who would be the responsible for taking instructions from the Engineer and carrying out the work.

The successful tender shall need to sign the agreement, three sets on stamp paper of Rs.100/- only. Tenderer's failure to make such an agreement within stipulated time frame will amount to non-acceptance on his part. In this the Co-optex will have the right to revoke the acceptance of tender without any further notice to the tenderer at the discretion of the Managing Director.

**SECTION - II**  
**INSTRUCTIONS OF TENDER**

The tenderer is advised to visit and inspect the site at his own cost and responsibility and to secure all necessary information which may be required for completing the tender. **Ignorance of site conditions or local information** shall not be considered as an excuse for non-performance of the contract or any increase in the rates quoted by him.

The tenderer shall examine carefully all the tender documents consisting of:

- Invitation to Tenderers
- Instruction to Tenderers
- General and special condition of contract.
- Schedule of Quantities
- Set of Drawings

All the above shall form part of agreement.

Time is the essential of contract and the tenderers are required to complete the Works in all respects to the satisfaction of the Managing Director of co-optex within the stipulated time.

The tender should contain the rates and the amounts (**both in figures and in words**), in the prescribed column of the schedule. All the items should be totaled up in the end. All corrections should be duly attested by the tenderer. In case of any discrepancy between rates and amounts, the lower value will be taken for the finalizing of the tender amount.

It shall be clearly understood that the rates quoted in the tender or to be, for complete work at site, as per the instructions to the tenderers, conditions of contracts, specifications and drawings and also for all such works as become necessary for proper completion of works, all though specific mention thereof may not have been made in the specification or drawings of tender documents. The rate shall be firm and not subject to cost escalation on account of labour and material conditions or any other reason what so ever.

The contract will be governed by the Indian contract act, Indian sale of goods act and all other relevant laws. All payments due to the contractor under the contract will be made in Indian Rupees currency.

At any time after the commencement of e-Tender and before the closing of the event, Co-optex may make any changes, modifications or amendments to the tender documents and same will be intimated to the concerned by Co-optex through corrigendum which can be downloaded from the Co-optex login.

**SECTION – III**

**GENERAL CONDITIONS OF CONTRACT**

## **EXTENT OF CONTRACT**

The contractor shall supply at his own cost all materials like ladders, scaffoldings, temporary works that may be required for the proper execution of the works, whether original, altered or substituted works. The contractor shall also supply survey instruments and other materials necessary for purpose of setting out of works and assisting to the measurements or examination at any time.

The contractor shall also provide a sufficient portion of fencing and lights required to protect the public from accidents and shall be bound to bear any expenses of defense brought by any person for injury sustained owing to neglect of the above precautions, and to pay any damages and costs which may be awarded in any such suit, action or proceedings to any such person including labour workers employed for execution of work. In no case the Co-optex shall be a party to any such claim and the contractor shall indemnify the Co-optex against any claim for any person on this account.

### **Sub-Letting of Contract**

The contractor shall not assign the contract or any part thereof to any other party without the Prior written consent of the Co-optex

### **Power to make alterations**

The Managing Director of Co-optex shall have the power to make any alterations or additions to the stipulated specifications, drawings, designs and instructions that they may feel necessary or advisable during the progress of work the contractor shall have no claim for compensation on account of such alterations or additions.

### **Works subject to approval of Managing Director**

All works to be executed under the contract shall be subject to the approval of the Engineer who shall be entitled to direct at what points and in what manner they are to be commenced.

The decision of the Managing Director of Co-optex with respects to all or any of the 1.Variation/Modification of the Design. 2. Quality and Quantities of Work Executed 3.Discrepancies in the drawings and Specifications. 4. Opening up for inspection of any work covered up. 5. Amending of any defects occurring under Defects Liability Period matters shall be final

### **Engagement of labour**

The contractor shall employ labour in sufficient numbers to maintain the required rate of progress and Quality of work. No child labour will be employed by the Contractor at any cost.

The contractor shall comply with all the provisions of Minimum wages Acts, Industrial Disputes Acts, ESI & PF Acts.

The contractor shall provide at his own cost for the protection of the works and for the safety of these employed on works or the public.

### **Water and Power Requirements**

All arrangements for water and power required shall be made by the Contractor at his own cost.

In case the electrical power is drawn from our Co-optex's own Electrical connection actual amount of consumption shall be paid by the contractor.

No extension of time of completion of the contract shall be allowed on account of Power failure.

### **Disruption of Progress**

**The Contractor shall give written notice to the Managing Director, Chennai whenever progress of work likely to be delayed. The notice shall include the details of the drawings or order required and of why and when it is required and of any delay likely to be suffered if it is late.**

### **Inspection of Work**

All works in execution stage or executed shall be open to inspection and supervision of the department Engineer/ his representatives. During the visit of the Engineer, the Contractor or his representatives should be available in the site.

### **Preparation of Program Schedule**

The Contractor, in consultation with the department Engineer shall prepare a program schedule of the various activities, before commencing of the work.

### **Extension of Time for Completion**

For only genuine and unavoidable circumstance of work shall be the discretion of Managing Director which shall however not exceed 10 days.

### **Liquidated Damages for Delay**

**The time and date stipulated in the contract for the completion of the work shall be deemed to be the essence of the contract. If the Contractor fails to carry out the works within the stipulated time or the extended time if given, then he shall be charged at Rs. 500/- per day thereafter. However, the total amount of penalty should not be more than 5% of the total contract value.**

### **Defects Liability Period**

The Contractor shall be responsible to make good and remedy at his own expense within 12 months from the date of completion of work without claiming any extra charges. The contract shall remain and valid in force. Until the expiry of the guarantee period. Such period as may be stipulated by the Co-optex any defects which may develop or may be noticed before the end of 12 months from the Certified Completion date and intimation of which has been sent to the Contractor within 7 days of the expiry of the said period.

If the Contractor, while rectifying the above defects, damages any other area of the site, will make good the related defects also at his own expense. In case he does not do so then the same would be got done by the Co-optex and expenses would be deducted from the amount due to the Contractor. In case the Co-optex finds that the contractor has not carried out the rectification the penalty will be levied at Rs.500/= per day Co-optex is at a liberty to get the same executed by another contractor and adjust the amount spend from the Security Deposit of the main Contractor . 5% amount will be withheld from the final payment for performance guarantee and it will be released after 12 months from the date of completion of work.

## **MEASUREMENT AND PAYMENT**

A bill supported with measurement details shall be submitted by the Contractor to the department Engineer for all works executed and the Engineer or his representatives shall verify the requisite measurements. All bills shall be submitted in triplicates.

All such intermediate payments to the Contractor shall be regarded as payment by way of advance against the final payment and not as payment for works actually done and completed and shall not preclude the requiring of bad and imperfect work to be rectified or considered as an admission of due performance of the contract.

### **Final Bill**

Final bill supported with consolidated measurements of the full work executed shall be submitted by the Contractor, the same will be verified by the department Engineer within 4 days of Completion of work.

After verification, the Engineer will give 7 days notice to the Contractor to Countersign the bill as a token of acceptance or intimate in writing his intension to dispute. If the Contractor fails to take appropriate action within the prescribed period as above, then the bill finalized by the department Engineer shall be final and binding on the Contractor.

### **Claim for Interest**

No Claim for interest will be entertained by the Co-optex, with respect to any money balances as lying with the Co-optex.

### **Remedy on Contractor's Failure to carry out the Work Required**

If the Contractor shall fail to do any such work as the aforesaid required by the Engineer. The Co-optex shall be entitled to carry out such works at the Contractor's own cost and recover the same from any money that may become due to the Contractor.

### **Termination of the Contract**

If at any time after the commencement of the work the Co-optex for any reason whatsoever not require the whole or part thereof as specified in the tender to be carried out, The Managing Director of Co-optex shall give notice in writing of the fact to the Contractor who shall have no claim to any payment or compensation whatsoever on account of any profit or advantage which would have derived from the execution of the work.

### **Jurisdiction for Legal Proceedings.**

No suit or any proceedings in regard to any matter arising in any respect under the contract shall be instituted in any court save in the civil court in Chennai. It is agreed that no other court shall have jurisdiction to entertain any suit or proceedings even though part of the cause of action might arise within their jurisdiction, In case any one of cause of action arises within the jurisdiction of any of the courts in Tamil Nadu and not a court in **Chennai** then it is agreed to between parties that such suits of proceedings shall be instituted in court within Tamil Nadu and no other court outside Tamil Nadu shall have jurisdiction even though any apart of the cause of action might arise within the jurisdiction of such courts. Place of work Chennai town under the control of **Head Office, Chennai** on Head Quarter.

### **Insurance for Works**

The Contractor before commencing or execution, without limiting his obligation shall insure the works against all acts of god, at his own costs and keep them insured till the completion of the project, in the joint names of the Co-optex and the Contractor, for the full amount of the contract.

The contractor shall deposit the policy and receipt for the premiums with the Co-optex within 7 days from the date of signing of the contract. In case the Contractor fails to do so, then the Co-optex can make the required Policy and deduct the amount from the Contractors amount due.

### **Insurance in respect to damage to persons and property.**

The Contractor shall be responsible for all injury to persons, animals or things and for all structural and decorative damage to property which may arise from the operation or neglect of himself or any other person employed by him.

The clause shall be held to include any damage to buildings whether immediately adjacent or otherwise. The Contractor shall indemnify the Co-optex and hold him harmless in respect of all and any expenses arising from any such injury or damage to persons or property.

The Contractor shall reinstate all damages of every sort mentioned, due to his contract work to the property of third parties.

The Co-optex shall be at liberty and is empowered to deduct the amount of any damage or compensation levied on him due to the negligence of the Contractor.

Such insurance will not limit or bar the liability and obligations of the Contractor to deliver the works to the Co-optex complete in all respects as per the Contract. In case of loss or damage, the money payable under any insurance shall be received and retained by the Co-optex until the works are finally complete and such money shall then be credited to the Contractor in final settlement of accounts.

### **Performance guarantee**

The Defects liability period will be 12 months year from the date of completion of work. Any defects found during this period in the various jobs executed by the contractor will have to be rectified by him, without any extra charges. In case the Co-optex finds that the contractor has not carried out the rectification, the penalty will be levied at Rs.500/- of the value of the tender per day he is at a liberty to get the same executed by another contractor and adjust the entire amount spent of the main contractor 5% amount will be withheld from the final payment for performance guarantee and it will be released after 12 months from the date of completion of work.
